Tuesday 27th January 2015, 9.00am - 4.00pm

Implementing the Australian Curriculum through Contemporary models for learning

EdFest 2015 will be an online event to encourage professional dialogue around the implementation of the Australian Curriculum, using Contemporary models for learning.

Targeting Australian teachers, it will be broadcast via **Google+ Hangout to Air**, Twitter #edfest15 and embedded in Scootle Lounge (<http://blog.scootle.edu.au/>).

Take advantage of all or some of this FREE full day education event from ESA and share with your staff, curriculum teams or PLN online.

Select from a wide range of topics to support the Australian Curriculum including Dan Donahoo's 'Play based learning across F- 12', the New Pedagogies for Deep Learning Project, the maker movement in schools and much more.

Join our presenters from ACARA, ESA, AITSL and the Asia Education Foundation and more for this premier event.
